**41-3-202.2. Provisional license.**

(1) As used in this section:

(a) "Provisional license" means a provisional version of a particular class of standard license.

(b) "Standard license" means a license that the administrator is authorized to issue under Section 41-3-202 for a class for which a principal place of business is required under Section 41-3-204.

35           (3) A person may apply to the administrator for a provisional license using the same

38           (4) Subject to Subsection (5), the administrator shall grant a provisional license to an  
39 applicant who:

40           (a) demonstrates that the applicant meets all of the qualifications described in this  
41 chapter and under other applicable state law for a standard license of the same class as the
